Take the Post-Test to Get Credit

General Information

Jointly provided by Tufts University School of Medicine Office of Continuing Education and CenterWatch

Active Dates: Friday, January 01, 2016 - Tuesday, February 28, 2017

Presentation #1: Research Practitioner Volume 17, Number 1, January/February 2016

- Sue Coons, MA
- Ronald Rosenberg

Activity Name: CenterWatch : Research Practitioner : Volume 17, Number 1, January/February 2016

Activity Location: Online

Activity Host: CenterWatch

Credit Designation:

- This activity provides 3 contact hours for nurses.

Objectives

Event Objectives:

- Discuss current thinking regarding specific methodologies in the design and execution of clinical research.
- Incorporate emerging ethical and legal principles in the practice of clinical research for the protection of human subjects and the research enterprise.
- Manage the conduct of clinical trials to ensure that they conform with federal and state regulations.

Accreditation Statement

Tufts University School of Medicine Office of Continuing Education is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Step 3: Post-Test

Please complete the post-test by answering ALL questions. The system will automatically grade your exam and inform you if you have passed. If you have a score lower than 70%, you may find the question you answered incorrectly and answer them again.

Enduring Material

Enter Your Info | View Disclosures & Info | **Take Test** | Verify Info | Done

Instructions: In order to successfully complete this activity and earn Nurse Contact Hours, you must: -Complete the post-test with a minimum score of 70% -Complete the evaluation New users will need to register a free account with eeds. eeds will then send a confirmation email within 1-2 business days with a link to the evaluation.

Please Answer the Following Questions

Abbreviated article title: FDA IRB Inspections (1.5 hours)

Article objectives:

1. Explain the regulations regarding FDA's inspection of institutional review boards.
2. Discuss FDA's criteria for selecting an IRB for inspection.
3. Describe the overall process and specific elements of an IRB inspection.
4. List the common observations identified during an IRB inspection.

An IRB is subject to or must consider which of the following FDA regulations as it carries out its review functions?

- 21 CFR 50
- 21 CFR 56
- 21 CFR 54
- All of the above

A Notice of Inspection (Form FDA 482) may only be issued to the IRB chair.

- True
- False

IRBs are subject to routine re-inspection every ___ years

- 1
- 3
- 5
- 7

When you pass, you will be able to view your post-test results or complete the your evaluation.

You will be redirected:

Tufts University School of Medicine has partnered with "eeds.com" to provide this functionality

You will be Redirected in 0 seconds...

Please confirm how many credits you would like to claim:

Single-Activity Certificate

Select Certificate Type Select Date Range Select Activity **Claim Credits** View Certificate

Indicate Number of Credits to Claim

The activities you selected are worth the following amount of CNE credit.

Sponsor	Credits
Tufts University School of Medicine	3.00
Total:	3.00

Do you wish to claim all 3.00 hours?

I will always claim the maximum number of credits possible.

You will then be taken to your certificate.

Editing Your Profile/Degree (Certificate Type-Related)

Please note that the type of certificate that will be displayed is based on your degree (i.e., RNs, NPs, MSNs, etc. will receive a Nursing certificate with ANCC Contact Hours while other professions will receive a certificate stating that they participated in the 3 hour activity).

In order to ensure that you receive the correct type of certificate, please update your degree in your account profile by doing the following:

Please log into your eeds account by going to www.eeds.com . Click **Log-in** while on the **Healthcare Professionals** tab. You may log in with your email address (that you used to complete the activity) or PIN. You will see your account. Please click on **My Account**:

Requirement Status

You currently have no goals setup. [Setup a Goal](#)

Next, click on **Manage My Account**. You will then see your profile. Please use the dropdown list to select your degree:

The screenshot shows a web form titled "Update Account Info". It is divided into several sections:

- General Settings:** This section contains fields for PIN (10100457), Password (masked with asterisks and a "(Change Password)" link), First Name (Donna), Last Name (Dung), Degree (BA, highlighted in yellow), Specialty (Other), Practice Location (USA), Cell Number (three input boxes with a help icon), Practice Address (empty), Practice City (Boston), Practice State (MA), Practice ZIP Code (empty, with a note "Enter zip to change city, state, and county"), Practice County (Suffolk), E-mail (donna.dung@gmail.com), and Medical Resident (No).
- Email Preferences:** This section has a "Receive Evaluation Email Reminders" dropdown set to "Yes".
- Optional Organization Membership Identifiers:** This section has two empty input fields for "AAFP Member ID" and "ANA Member Number".

A "Save Changes" button is located at the bottom of the form.

If you have multiple degrees (e.g., you are both an RN and CCRC) and you would like to receive a Nursing certificate, please select RN as your degree.

If you have already received a certificate but it was not the correct type, please update your profile. Your certificate will automatically be regenerated to the correct type.

Viewing Certificate at a Later Date

To view your certificate at a later date, please log into your eeds account. Please go to www.eeds.com and click **Log-in** while on the **Healthcare Professionals** tab. You may log in with your email address (that you used to complete the activity) or PIN. You will see your account. Please click on **Attendance Certificates**.
